### The President's Report...by David L. Whaley

We finished a tough year in grand style at our annual meeting on Feb. 27th. The Meetings & Arrangements Committee did an outstanding job on the details of our banquet. Those who attended were royally entertained by Gen. George Washington! We raised money for the Sons thru a fantastic auction.

For 2010-2011, the Board of Managers has selected Martin Cash to continue as the Rifleman Editor and Robert Pelton returns as our Historian. Gerald "Jerry" Mustin will again serve as our Marshall. Dr. Bill Acuff, David Rutherford and David Bodenheimer are the new Meetings & Arrangements Committee; Gene Hicks, Mike Reedy and Jerry Mustin are the Admissions Committee; Terry Davenport, Dr. Acuff and Bill Christenberry serve as the Nominations Committee with David Rutherford as alternate; and Jim Rivers, Bill Christenberry and myself represent the Finance Committee. All these men are hard working, dedicated members with one goal - to make the TN Society Sons of the Revolution the best State Society! Join their effort and lend a hand when the opportunity arises. We need all of our members' support.

## 2010 George Washington Banquet

The 2010 George Washington Banquet was a great success. The largest number of attendees in recent history enjoyed some of the finest entertainment relating to the history of George Washington. Rick Revel a singer and entertainer from West Tennessee gave a performance that made many feel they were almost in the presence of General Washinton. He sang many period songs and acted out several events in Washington life.

The most memorable of the night is when he told the story of the Star Spangled Banner in words and music that was like a picture bringing to life some facts that many had forgotten.

In addition, there was a great buffet meal and a many awards presented to members of our society. These awards and other activities are explained in the pictures. Once again our auctioneers came through with items desired by everyone. We all hope the summer banquet is as well attended and as much fun.

### From Historian Robert Pelton

“I believe that banking institutions are more dangerous to our liberties than standing armies. If the American people ever allow private banks to contorl the issue of their currency, first by inflation, then by deflation, the banks and corporations that will grow up around the banks will deprive th epeople of all property until their children wake-up homeless on the continent their fathers conquered.”

- Thomas Jefferson

*That's how a credit based economy operates, is it not?*

“To compel a man to subsidize with his taxes the propagation of ideas which he disbelieves and abhors is sinful and tyrannical.”

- Thomas Jefferson

“The democracy will cease to exist when you take away from those who are willing to work and give to those who would not”

- Thomas Jefferson

“It is incumbent on every generation to pay its own debts as it goes. A principle which if acted on would save one-half the wars of the world”

- Thomas Jefferson
